

# AUGUST NEWSLETTER

Each month, we will learn a new Bible Verse and your children will watch themselves “climb the mountain” on our bulletin board as they can say them from memory! This month’s verse is “I can do all things through Christ who strengthens me.” Philippians 4:13

## Reminders:

Remember to send a snack each day, that does not contain nuts!

Dress your kiddos for play time!  
We like paint, play-doh, markers, glue, scissors, and dirt! Good play shoes are best for the playground each day!

## 2K Circle Time Focus

Fostering a love of reading starts very early! Miss Parker’s class is learning to sit still, together, through a whole book! They each take turns picking out which one she reads to them next! Since most of us are still learning how to be a part of a group of kids in a classroom our focus is definitely on social skills these first few weeks. We are talking about letters, shapes, colors, and counting as we read every morning!

## 3K Circle Time Focus

This month, Mrs. Roslyn’s class is focusing on the color blue, circles, the letters A, B, C, counting to 10, and recognizing 0 and 1. You can help with these lessons at home by finding circles: the steering wheel, a plate, a sink, etc. counting fingers and toes, and asking them to “look for the letter A” while driving or reading to them. Also, we learn to clean up after we play, to be responsible for ourselves, and to be kind.

## 4K Circle Time Focus

Mrs. Amanda’s class is hitting the ground running! While they are working on writing their names and the alphabet, they are also reading books together a lot, talking about nocturnal animals, and learning responsibilities within the room (following a schedule). They have wonderful discussions about the days of the week, the month, today’s date, the weather, the season and more.

In the Innovation Lab: beyond free play to build and explore, we are doing hands on experiments with colors, mixing our primary colors to make secondary colors, playing with colors on the light table, and more!

Questions to ask your kiddos after a day at preschool:

- What was the most fun today?
- Who was a kind friend to you?
- Were you kind to your new friends?
- What is your new friend’s name?
