

JANUARY NEWSLETTER

Each month, we will learn a new Bible Verse and your children will watch themselves “climb the mountain” on our bulletin board as they can say them from memory! This month’s verse is “In the beginning, God created the Heavens and the Earth” Gen 1:1

Camp Update

We had so much fun at Elf Camp over the holidays! We hope the kiddos that attended had as much enjoyment as we did! We are in the planning stages for our Summer Camp, so be on the lookout for that info soon!

2K Circle Time Focus

Mrs. Beth’s class is working on matching colors, recognizing shapes, counting and saying our alphabet. Our 2s love hands-on activities and

experiences that allow them to learn through touch!

3K Circle Time Focus

This month, Mrs. Roslyn’s class is talking about many colors and shapes, and the letters A-Q. We are continuing with the days of the week, months, and seasons. We write our first names very often and we are really growing in our independence and being more responsible at school. We love story time, playing in the lab, getting our energy out during PE, and making messes in art class!

Pre-K Circle Time Focus

Our 4s and 5s will have a lot of fun this month! We are continuing to focus on Upper/Lower Case letters, letter sounds, beginner sight words, and early math skills. Social/Emotionally our focus is listening and speaking. Reading to these children daily at home is beneficial for them and for you! Feel free to come look through the library here, or if you are pressed for time, we can select some books for you to take home for a bit.

In the Innovation Lab: We are looking forward to fun Science, Art, and Lab work this month as we look into snowflakes and ice before we start talking about hibernation and animals! If anyone wants to donate to our lab, we would love: tissue paper, paper towel rolls, cotton balls, and popsicle sticks! And Thanks!

Upcoming Important Dates:
